Women are allowed. Allowed to exist. To take up space. To breathe, to love, to laugh, to talk, to yell, to scream, to curse and more. Women are notable, just as they are.

Hey there! Meet Cristin Downs. Fierce, funny, and fired up, Cristin is a producer, theatrical thinker, and podcasting truth seeker / storyteller with a hell-bent mission to empower women. Described as a "gentle, non-stop powerhouse," you can find Cristin interviewing visionary women leaders on The Notable Woman Podcast, hosting weekly guest experts, panels, and epic virtual summits that empower women in her free Facebook community, The Society of Notable Women, mentoring women leaders one on one and through learning and development workshops, and producing projects that get her fired up. She's an activator and connection maven, and she jumpstarts projects and ideas.
